"AXE" US ABOUT THE ELEMENTARY

December 2024

FROM THE PRINCIPAL

At the start of this school year, we laid out a theme for the year, "Raising the Bar." We have embraced this as a staff and are working with our students as well to embrace a "raising-the-bar" mindset. To raise-the-bar simply means to try harder today than we did yesterday, last week, or last year. It is a mindset of continual growth. Growth is not achieved in grand actions, but in small consistent actions over time. That is the mindset we are looking to build in our students.

SCHOOL COUNSELOR CORNER

The Student Success Skills we are focusing on for December are empathy, kindness and compassion. We are learning how kind words and actions can affect others-how doing good deeds not only helps others, but we feel good about it, too! Students have great ideas in our guidance classes and they are working on becoming the best version of themselves they can be-raising the bar every day. Some topics coming up in the next few months are having grit, honesty, teamwork and courage. Be sure to ask your students about their great work with Mrs. Bunton-building skills now and for their future!

WINTER VACATION ANNOUNCEMENT!

We're excited to announce that our winter vacation will be from December 23rd through January 1st. During this time, there will be no school, allowing students and staff to enjoy a well-deserved break with their families and friends.

We wish everyone a joyous holiday season filled with fun, relaxation, and memorable moments. See you all back on January 2nd, refreshed and ready for the new year!

BUS PATROL

 Shoutout to Our Bus Patrol Kids! 

We want to give a huge round of applause to our amazing bus patrol kids! These dedicated students volunteer their time to help ensure safety and order on our school buses.

Their commitment and leadership make a big difference, helping create a safe and positive experience for everyone on the bus. Thank you, bus patrols, for your hard work and dedication!

Let's keep up the great work together!

IMPORTANCE OF SCHOOL ATTENDANCE

Did you know that regular school attendance is key to a student's success?

Attending school every day helps students stay on track with their learning, build strong study habits, and develop a sense of responsibility. Each day at school provides opportunities for students to engage with their teachers and peers, participate in interactive lessons, and gain the knowledge they need for their future.

Parents and guardians, your support is crucial! Ensuring that your child attends school regularly sets them up for a brighter future.

Let's work together to make every school day count!
